

Grace Lutheran School – Student Dress Policy for the 2022-23 School Year

Cleanliness, appropriate dress, and safety are important ingredients for good school manners and healthy living. Parents are encouraged to teach their children the value of proper appearance, modesty, and cleanliness. Students' clothing choices are a means of self-expression, but these choices must be consistent with the values of the school community. We must also recognize that some clothing is too casual for the important business of education.
